The Camano series features superior optical lenses allowing you to select the perfect lens for optimum light distribution for your application.

Camano Wall Grazer
Model 141wg

- Lens grazes walls with a 15 degree band of light.

Camano 30 degree
Model 141/30p

- 30 degree beam highlights objects while keeping side glare to a minimum.

Camano 60 degree
Model 141/60p

- 60 degree beam lights surfaces underneath fixture evenly.

Camano Frosted
Model 141f

- Frosted 120 degree beam useful for general purpose lighting.

- Has an asymmetric lens and housing with a glare guard flange.

Mounting Options

Stationary Clips
Clips attach to a solid surface and snap into a groove on the back of the fixture. All models.

Adjustable Clips
Clips can be set / adjusted to 0, 15, 30 or 45 degrees. All models *except* 183ww.

Pendant Hardware
Includes 2 wire cable sets for suspension mounting 3 to 78 inches from ceiling. All models *except* 183ww.

Ordering Information

PERFECT FIT™ Camano series fixtures comes standard in "Silver" finish with a single 2 foot long lead wire and stationary mounting clips. Adjustable mounting clips or pendant hardware may be specified for all models except Camano Wall Washer (183ww). Please specify the model number & mounting style, color temperature, brightness level and finished length for each fixture. Fixtures may *optionally* be ordered with extra long leads, or in custom configurations (square, rectangle etc.). Finish options other than silver generally require additional lead time. Please call for availability and pricing.
